

WEST PERTSHIRE BRANCH of the PONY CLUB

TETRATHLON SHOOTING AND CROSS COUNTRY TRAINING - SEPTEMBER 6TH 2026

On Sunday September 6th we have organised shooting and cross country training at Kirkton Farm, Doune, FK16 6HG.

This is for both existing tetrathlon competitors and anyone who fancies trying it out. You don't have to have your own pistol – we can provide them for anyone to use and give tuition on their use and, in particular, the procedures for their safe use.

Shooting will be at both 7 metres and 10 metres distant from the targets so for those who may be moving up from 7m to 10m or if you just want to try the longer distance here's your chance. Members need to be at least 8 years old on the day to be allowed to shoot.

For younger members (under 8) we shall also have beanbag training. To date the beanbag targets have been Velcro however as these are hard to buy now and the majority of branches use plastic targets, we shall have one of these available for practice also.

The cross country training will not only be over cross country jumps but will specifically include gate and slip-rail training.

Cross country jump heights are 30cm, 45cm, 60cm, 75cm and 90cm.

If you want to attend, enter on the West Perthshire Entrymaster site.
